**Re: Final Bid Withdrawal Payment for Auction No. 20**

Dear Mr. MacIntyre:

Data Radio Management Company, Inc., ("Data Radio") a participant in Auction No. 20, withdrew its high bid on one license (VPC023) in that auction. Auction No. 39, the subsequent auction for that license on which Data Radio withdrew its high bid has closed. As shown on Attachment A in accordance with the Federal Communication Commission's ("Commission's") rules, we are now able to calculate Data Radio's final bid withdrawal payment obligation.

Under the Commission's rules, a bidder that withdraws a high bid during the course of an auction is subject to a bid withdrawal payment equal to the difference between the amount of the withdrawn bid and the amount of the subsequent winning bid. If a high bid is withdrawn on a license that remains unsold at the close of the auction, the withdrawing bidder will be required to make an interim payment equal to three percent (3%) of the net amount of the withdrawn bid.<sup>1</sup> This payment amount is deducted from any upfront payments or down payments deposited for this bidder's account with the Commission.<sup>2</sup> If, in a subsequent auction, that license receives a winning bid (or a subsequent withdrawn bid) in an amount equal to or greater than the withdrawn bid amount, then no final bid withdrawal payment will be assessed, and, upon appropriate request, the Commission will refund the interim three percent (3%) payment.<sup>3</sup> If in a subsequent auction, the winning bid for that license (or subsequent withdrawn bid) is less than the bidder's withdrawn amount, then the bidder will be required to make a final bid withdrawal payment equal to either the difference between the bidder's net withdrawn bid and the subsequent net

winning bid, or the difference between the bidder's gross withdrawn bid and the subsequent gross winning bid, whichever is less.<sup>4</sup>

As shown in Attachment A in accordance with Section 1.2104(g)(1), after applying any interim bid withdrawal payments or amounts on deposit with the Commission, Data Radio has an outstanding balance due of \$851.00.

Data Radio is in debt to the United States in the amount of \$851.00,<sup>5</sup> payable in full, immediately, and without further demand. As permitted under 31 U.S.C. § 3717, the debt is subject to interest, penalties, and administrative costs, and interest accrues from the date of this letter, which is also its mailing date. Data Radio, the debtor, may avoid payment of the interest if it tenders to the Commission full payment within 30 days of the date of the letter. Moreover, the debt is subject to an additional charge to cover the cost of processing and handling of delinquent debts, and a penalty charge in the amount permitted by law. The penalty charge for delinquent debt payments permitted by 31 U.S.C. § 3717 currently is 6 percent per year for the failure to pay any part of the debt more than 90 days past due.

### **Ordering Clauses**

IT IS FURTHER ORDERED, that, pursuant to 47 C.F.R. §§ 1.2104 and 1.2106, Data Radio's interim bid withdrawal payment or funds on deposit will be applied towards the sum of the final bid withdrawal payment.

IT IS FURTHER ORDERED that Data Radio's debt of \$851.00 be paid immediately, in accordance with the payment instructions in Attachment B within 30 days of the date of this letter, and if it is unpaid 30 days after the date of this letter, interest will accrue from the date of this letter along with penalties and administrative costs permitted by 31 U.S.C. § 3717.

---
